**REMARKS**

Applicant amended application to place it in a condition for allowance according to examiner's office action response. If the amendment to claims 23 and 24 does not place the application in a condition for allowance, Applicant is requesting a telephone conference and an examiner's amendment to place application in a condition for allowance. Claims 6 and 7 are withdrawn. Additionally, Claims 8-16 are dependent on claim 1 so that they should be in a condition of allowance.

Applicant respectfully requests that the rejections be withdrawn. Alternately should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he/she is invited to telephone the undersigned.

Respectfully submitted:
